

# #pathfinderrides

## Register for the Event

Entrants select their own starting point.

## Every starting point has relevance to Bomber Command.

Old airfields, crash sites, memorials or factories.

## Cycle to the IBCC Lincoln

No matter how far or how short your ride - it's your choice.

## Everyone 'lands' during 1 weekend in July.

To celebrate their achievements and to recount the stories of where they have come from.
